BNP Paribas Asset Management's update for journalists
Issue #300 – June 22nd, 2018

WONDERFUL CHINA : Understanding Investment Opportunities in Chinese Equities

China's economic development is a unique success story. With 1.4 billion inhabitants and a Gross Domestic Product (GDP) growth of USD 12.8 trillion in 2017, China is today the world's second largest economy after the United States, and is increasingly playing an influential role in the global economy.

In this special "Wonderful China: Understanding Investment Opportunities in Chinese Equities" report, you will discover:

- The structural case for China [p.4](#)
- China's **macroeconomic outlook** for investment [p.8](#)
- Three structural trends **driving long-term investment opportunities** in China [p.18](#)
- Green China: Wait... Is China the **leader in green investments?** [p.27](#)

BNP PARIBAS ASSET MANAGEMENT France, "the investment management company," is a simplified joint stock company with its registered office at 1 boulevard Haussmann 75009 Paris, France, RCS Paris 319 378 832, registered with the "Autorité des marchés financiers" under number GP 96002.

This material is issued and has been prepared by the investment management company.

This material is produced for information purposes only and does not constitute:

1. an offer to buy nor a solicitation to sell, nor shall it form the basis of or be relied upon in connection with any contract or commitment whatsoever or
2. investment advice.

Opinions included in this material constitute the judgement of the investment management company at the time specified and may be subject to change without notice. The investment management company is not obliged to update or alter the information or opinions contained within this material. Investors should consult their own legal and tax advisors in respect of legal, accounting, domicile and tax advice prior to investing in the financial instrument(s) in order to make an independent determination of the suitability and consequences of an investment therein, if permitted. Please note that different types of investments, if contained within this material, involve varying degrees of risk and there can be no assurance that any specific investment may either be suitable, appropriate or profitable for an investor's investment portfolio.

Given the economic and market risks, there can be no assurance that the financial instrument(s) will achieve its/their investment objectives. Returns may be affected by, amongst other things, investment strategies or objectives of the financial instrument(s) and material market and economic conditions, including interest rates, market terms and general market conditions. The different strategies applied to the financial instruments may have a significant effect on the results portrayed in this material.
